

## Internship Application

Choice USA offers year-round internship opportunities in Washington, D.C.

A Choice USA internship offers more than just a chance to work in the office of a national non-profit organization -- it is an inspiring and valuable learning experience. Interning for Choice USA gives participants an inside understanding of pro-choice politics in the nation's capital, and an opportunity to hone their professional skills in a fast-paced environment.

Choice USA offers internships in development, communications and field organizing. Each department provides substantive work experience. Interns will be able to participate in events sponsored by other progressive organizations and will play an integral part in Choice USA programming as both organizers and participants.

Some paid internships are available, based on need, and depending on the school may be counted toward college credits.

To apply for an internship, please mail, fax, or email this application to:

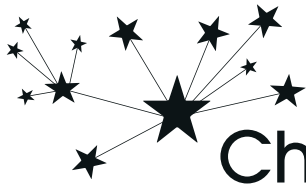

Choice **USA**  
 1317 F Street, NW, Suite 501  
 Washington, DC 20004
